ELLINGHAM SHOW 2026

Introduction from the Show's Chairman, Tom Hasted

Thank you for your interest in the 2026 Ellingham Show. First staged in 1947, the show is run entirely by volunteers and supporters of the Ellingham and Ringwood Agricultural Society (ERAS). This year's date is Saturday 8th August, and by the kind permission of Lord Normanton, we will once again be in the magnificent grounds of the Somerley Estate, near Ringwood.

Following a successful show in 2025, as a charity, it is always our ambition to continue to give away as much as possible to local charities and good causes. We have two main aims:

- To provide a great day out for participants and visitors by displaying a rich variety of rural activities, animals, crafts and competitions.
- And to give to local charities as much as we can afford from any surplus left after meeting our costs of putting on the show.

We take very seriously our responsibilities towards everyone involved in the show. We respectively ask all our competitors to read and familiarise themselves with all our rules and conditions of entry, both the show in general, and to their chosen section(s) in which they wish to take part. All these rules and the various timetables – as at the time of this publication – are set out in the pages that follow.

It is never our ambition to change our plans however, sometimes it is necessary, and we hope that you will agree that the welfare of all our competitors and animals is of paramount importance.

As part of our duty of care for everybody on the showground, we also ask that all competitors have appropriate Public Liability Insurance and are ready to show it to the show team if asked.

Thank you in advance for taking the time to read the schedule thoroughly, for respecting our rules and conditions of entry – and we look forward to welcoming you for a great day at the Show.

RULES AND CONDITIONS OF ENTRY TO THE 2026 ELLINGHAM SHOW.

1. The signature of the participant on an Entry Form is acknowledgement that he/she understands and agrees with the Rules and Conditions contained in the ERAS schedule 2026 and has adequate Public Liability Insurance (PLI). Competitors must understand the conditions of entry for their Classes.
2. ERAS expects everyone connected with the Show to meet their responsibilities for their own health and safety and also for others attending the show. Section heads will require sight of the PLI policy, or photocopy, for all trade stands, showground attractions and other participants at their discretion.
3. Any abusive behaviour towards stewards, judges or show helpers will NOT be tolerated and will lead to being exited from the Showground.
4. The Committee reserves the right to refuse or cancel entry or entries made by any person, if they shall deem it fit to do so, without giving any reason for so doing, and the right to cancel any Class or Classes, refunding any fees paid in respect thereof.

11. Owners will be responsible for any costs for attention by the Veterinary Surgeons or Farriers on the field.
12. It is the competitors' responsibility to ensure that the classes they enter do not clash.
13. In the unlikely event of the cancellation, postponement or abandonment of the Show by the ERAS Executive Committee through circumstances beyond their control, refunds of fees will be made at the discretion of the ERAS Executive Committee.
